

## OPEN FOR BUSINESS

Construction of the LIRR Expansion Project from Floral Park to Hicksville, one of the region's most significant transportation infrastructure projects, may potentially impact businesses all along the project route. 3<sup>rd</sup> Track Constructors and all of the Community Ambassadors are committed to maintaining access to businesses, and to working with local proprietors, Chambers of Commerce and local elected officials to ensure that any impact that may occur is negligible. The [www.LIRRExpansion.com](http://www.LIRRExpansion.com) website serves as a resource for local businesses, keeping them apprised of upcoming construction and potential impacts. As construction continues to ramp up, businesses and their patrons can visit the website for real-time updates.
